Accessibilty	Inaccessible	Accessible To All
Sustainability	Unsustainable	Sustainable
Data Security	Security Risk	Secure
AI-powered	No	Easily create contracts, surveys & forms, even in multiple languages!

ECO-FRIENDLY

A Truly Paperless Document Creation & API Integration Solution.

The future of enterprise efficiency is here with Wizara's online forms. Our innovative platform easily transforms outdated paper processes into secure, streamlined digital workflows, **reducing costs by up to 30%** and slashing your environmental impact. Wizara converts paper-based forms and **outdated fillable PDFs** into centralized and mobile-friendly data-collecting machines — no more filing, printing, and storing physical copies.

With Wizara, your enterprise gains a competitive edge. Effortless form creation meets intelligent data processing, ensuring every decision is informed, instant, and impactful. Explore the Wizara difference for your business, today!

Wizara + Synergize = Document Magic

This powerful combo streamlines your document workflow. Collect data that seamlessly feeds into Synergize for effortless document handling. It is efficient, accessible & keeps everything traceable.

Supercharge Your HR Department

Discover how Wizara's vast and ever-growing **collection of customizable forms** can revolutionize your department's efficiency and employee engagement.

Innovative Form Solutions

Tailored for Human Resources

In the world of Human Resources, the balance between efficiency and personal touch is vital. Wizara is here to help you strike that perfect chord. With **over 500 specialized forms** designed for HR departments and hundreds more added each month, our platform is an ever-expanding toolkit for your team's success.

Employee Onboarding Forms
Make new hires feel welcome with a smooth digital process. Collect info, documents, and signatures electronically for a hassle-free start.

Leave Requests & Approvals
Effortless online forms for leave requests with various leave types, dates, and attachments. Streamline the approval process for everyone.

Performance Reviews
Revamp your review process with user-friendly forms. Gather employee feedback and generate reports for meaningful discussions.

Training & Development
Empower employees to request training with tailored forms. Track courses and development goals for a clear path to skill enhancement.

Employee Surveys
Unlock a productive workforce. Run interactive surveys to gauge employee satisfaction, engagement, and company culture.

Benefits Enrollment
Simplify benefits enrollment with intuitive forms. Let employees select coverage levels and beneficiaries for accurate administration.

Expense Reimbursement
Speed up expense reimbursements with forms. Capture details, receipts, and approvals all electronically, boosting transparency.

Exit Interviews
Conduct insightful exit interviews with Wizara. Gather valuable feedback to identify trends and improve retention strategies.

Health & Safety Reporting
Promote a safer work environment with incident reporting forms, allowing staff to report hazards or accidents for better safety protocols.
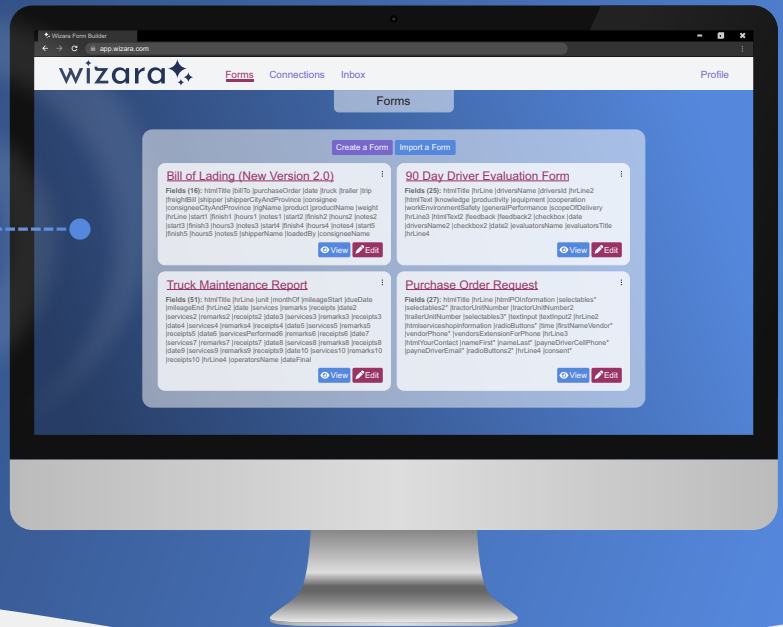

Performance Improvement Plans
Create clear performance improvement plans. Define goals, expectations, and action steps for enhanced communication and staff support.
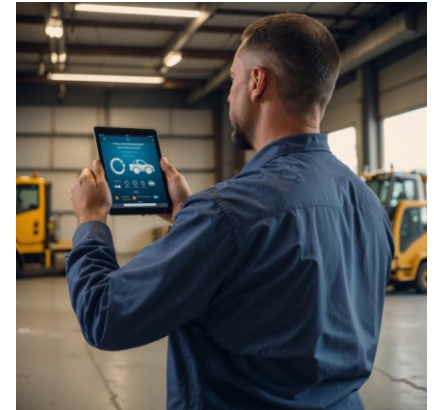

Get Centralized Access To All Your Forms

Setup "Teams" to share forms internally to everyone including HR, communications and even the boss.

Add API Integrations

Wizara plays nice with others! It connects seamlessly with your existing software (CRM, WMS, payments, email, etc.) using APIs & webhooks. This smooth data flow, automates tasks, improves accuracy, and unlocks new ways to use your data. Basically, Wizara integrates to make your business run smoother & smarter.

Testimonials

Aaron
San Diego

Wizara is like the swiss army knife of online form creators. Whether we're building client forms, running surveys or advertising on third-party sites, this powerhouse tool has our back. And have you seen what it can do with animations? Our forms are a cut above the rest, and that's all thanks to Wizara!

Wizara Form Builder has brought a touch of magic to our event planning at DWS Logistics. As the Corporate Compliance Manager, I am thrilled with the versatility this platform offers. From planning company events to capturing important information through contact forms on our website. Our staff loves it too – they are able to register for events quickly and efficiently. It's like having a logistics genie at our fingertips. If you're looking for an exceptional form builder, Wizara is the answer!
